

# Teaching development opportunities at Oxford

# Teaching development programmes

Two voluntary, accredited Teaching Development Programmes led by the Oxford Learning Institute (OLI):

- Developing Learning and Teaching (DLT)
- Postgraduate Certificate in Teaching and Learning in Higher Education (PGCert TLHE)

# Developing Learning and Teaching (DLT)

For DPhil and postdoctoral researchers and college staff currently teaching at the University

- Provides an introduction to teaching in HE and opportunities to develop teaching practice
- Two strands: Sciences and Humanities & Social Sciences
- 9 hours of interactive workshops over a term, plus self-study elements
- Assessed by teaching portfolio, leading to an accredited teaching award
- Further details: [www.learning.ox.ac.uk/teaching/](http://www.learning.ox.ac.uk/teaching/)

# Postgraduate Certificate in Teaching and Learning in Higher Education (PGCert TLHE)

For academic and research staff currently teaching at the University

- Two strands: Sciences and Humanities & Social Sciences
- 7 half-day workshops plus self-study over 13 months
- Explore teaching at Oxford and elsewhere
- Develop skills in course design
- Engage with educational literature
- Assessed by teaching portfolio, leading to a University of Oxford accredited PGCert
- Further details: [www.learning.ox.ac.uk/teaching/](http://www.learning.ox.ac.uk/teaching/)

# Advice and consultancy

- We offer teaching and learning consultancy to all teaching staff including 1:1 consultations and groups
- We support Departments in developing in-house teaching training events and/or teaching resources
- We have expertise in:
  - Course design and development
  - Feedback and assessment
  - The Oxford tutorial
  - Inclusive teaching practices
- We work in partnership with the [Technology Enhanced Learning Group](#) in IT Services to support teaching and learning using technologies

# Online resources

## Online courses:

- Introduction to DPhil Supervision at Oxford:
  - Sciences
  - Humanities & Social Sciences (forthcoming 2019)
- Tutorial Teaching at Oxford (forthcoming 2019)

We are currently developing a range of online teaching and learning resources

Further details: [www.learning.ox.ac.uk/teaching/](http://www.learning.ox.ac.uk/teaching/)

# Networks and events

We support the development of teaching-related networks across the University

We circulate teaching-related news, events and resources via our termly **Teaching & Learning Newsletter** (contact [news@learning.ox.ac.uk](mailto:news@learning.ox.ac.uk) to subscribe)

# Further information
